

— PHASE 2 · MODULE 1 · CLASS 4

# Sign off in style.

An email signature is your digital business card. It adds professionalism and makes it easy for others to contact you.

600 × 200 px

PNG or JPEG

Your contact details, every time

## WHY IT MATTERS

# Your signature travels with you.

Every message gives you another small chance to look prepared, clear and easy to reach.

01

### Professional first impression

It adds polish without a separate pitch.

02

### Easy to contact

Put the details people need beside the message.

CANVAS PREVIEW

— STEP 2 · BUILD THE LAYOUT

# Choose a grid or a frame.

## GRID · ALIGN EVERYTHING

Best when you want photos and text neatly aligned.

## FRAME · ADD A LITTLE STYLE

Best for a circular or square photo treatment.

Whichever you choose, the goal is a clean, balanced layout that is easy to read at a glance.

— STEP 3 · PHOTO OR LOGO

# Match the mark to what you represent.

A headshot adds a personal touch. A company logo keeps a business identity consistent.

## PERSONAL SIGNATURE

**Mia Harper**  
Executive VA

Use a professional headshot when you want a person-led brand.

## BUSINESS SIGNATURE

**Harper VA Support**  
Virtual support for founders

Use your company logo when the signature represents the business.

Personal: photo

Business: logo

— STEP 4 · INSERT YOUR TEXT

# Name biggest. Everything else supports it.

## A CLEAR EXAMPLE

**Mia Harper**

Executive VA

Harper VA Support

harperva.com

Concise text is easier to scan and easier to reuse.

**Readability beats cleverness.**

## STEP 5 · STYLE IT

# Simple colors. One or two fonts. Room to breathe.

## YOUR FINISHED SIGNATURE

## COLOR

Use a simple palette that matches your brand. Keep the background light so the text and photo pop.

## TYPE + SPACE

Bold for the name, regular for the rest, and enough spacing to keep it balanced.

**Make it easy to scan in a busy inbox**

— DOWNLOAD · PASTE · TEST

# Make it real.

Download your design, paste it into your email settings, then check how it looks on a phone and a desktop.
